RAFFIA

We are HEADQUARTERS for Raffia for budding and tying purposes and our brands are the STANDARD of the Raffia market.

The LEADING nursery firms demand the best—A. A. Westcoast—others find X. X. X. Superior, X. X. Superior or Red Star suitable for their purpose.

Send for our price list before buying, or, better still, just place your order with us and we will give you our best price.

CHINESE TONKIN CANES

Nurserymen realize now that when they go to the labor and expense of planting a block of Shade Trees, it pays to have every tree produce revenue. Crooked and "bow-leg" trees are a dead loss. It pays to buy stakes and make every tree salable. First cost is very little as the stakes can be used over and over again.

We import our Cane Stakes direct from China.

Bale of 300 canes, 7 ft. long, ¾ to ⅞ in. diameter at butt, \$18.75 per bale
Bale of 300 canes, 10 ft. long, ¾ to ⅞ in. diameter at butt, \$24.50 per bale

Sold in full bales only. Prices are for canes F. O. B. Dresher, Pa.

DUTCH GRANULATED PEAT

Finest material for propagating purposes or for mixing with soil to loosen it up and add humus. Especially is this necessary where ericaceous plants are propagated. We are handling only the very best quality. All brands are not alike in quality. Some brands appear to be cheaper, but there is a great difference in quantity packed in bale. Most cheap brands have 14 to 16 bushels per bale. Our bales run 20 bushels. Therefore, in our bales you get a greater quantity of material.

1 to 9 bales at \$3.00 per bale; 10 bales and up, \$2.70 per bale; 25 bales and up, \$2.60 per bale.
